

Procedure to unpack a MIRRORLITE®Glassless Mirror

- 1) Lay box flat like a shirt box.
- 2) Cut perimeter tape between box top and bottom.
- 3) Remove/ lift the cover off the box.
- 4) Only using gloves (included), hold mirror from edge—like holding a painting from the sides.  
**DO NOT PRESS ON MIRROR SURFACE.**
- 5) Remove the MIRRORLITE®Glassless Mirror out of the box.
- 6) Remove the MIRRORLITE®Glassless Mirror foam corner inserts.
- 7) Turn mirror panel so that face is up. Peel masking tape and protective film from back of mirror.  
**DO NOT USE KNIFE OR SCISSORS—PULL TAPE BY TABS AT END.**
- 8) Remove the protective film liner that protects the MIRRORLITE®Glassless Mirror box. Lift the liner holding it at the four corners. **DO NOT SLIDE THE LINER OVER THE MIRROR SURFACE.**
